Foreword

Last week's games resulted in Canning and Gosnells remaining the only two undefeated sides with Canning retaining top position by less than 1%.

Gosnells showed that they again will be a top contender for premiership honours when they easily defeated an Armadale side that never at any stage gave up the fight.

Kwinana were probably unlucky in meeting Maddington the week after the "Bulls" had been defeated by Canning as obviously they revenged themselves on the "Noble Knights."

Kelmscott returned to the winning list with an easy victory over Mandurah and Coach Colin Beard has some big problems down at the "Seaside."

Kalamunda notched their first victory of the season at the expense of Thornlie who now must be firm favourites for the wooden spoon.

Canning defeated Kenwick, however the "Royals" served notice that they are on the way back and could cause a few upsets in the coming weeks.

TODAY'S GAMES:

The clash of the 1976 Grand Finalists **Kelmscott v Maddington** looks to be the game of the day, however Kelmscott have lost several key players and the "Bulls" will run out easy winners.

Kalamunda and Kwinana this match could turn out to be the closest of the day and for the upset of the round Kalamunda will prove too strong.

Armadale v Mandurah If Armadale are to be a top side in 1977 they have to win this game.

Thornlie v Canning Canning to win very comfortably.

Gosnells v Kenwick Gosnells will have to concentrate for four quarters otherwise Kenwick could upset. Gosnells to win by 6 goals.

THE KNIGHTS NOTES

Last Sunday's fixture against Maddington proved to be a disaster for the club. This was not so much because we were beaten in both grades but because of the number of injuries received. Before the game we had thirty-seven players who were fit to play. During the afternoon's proceedings at least eight players were injured, five of them serious enough to ensure some weeks on the sidelines.

It is at times like this that club spirit must come to the fore and everyone, players, supporters and committee, must get together and ensure we are able to successfully negotiate a very difficult period. The next two weeks will be vital ones to the team's prospects for the season.

The reserves team put up a tremendous effort as by the last quarter they had only fifteen players, several of whom were injured, still on the field. Yet they were still able to outscore Maddington in this quarter. Congratulations to everyone of the eighteen players for the courage they displayed.

The league game saw a very depleted side well and truly beaten by a very competent and vigorous Maddington. Special mention must be made of Garry Cukrov's effort in this match. He was a perfect example of courage, spirit and determination. A lot of these qualities will be needed today against the new look Kalamunda side.

Social Notes: Tickets are now available for the Annual Ball on June 3rd. This looks like being a great night so get in early and reserve a table.

KING ARTHUR.

KOUGARS

Well, we did it — we broke the drought, with a fine win over Thornlie. Kalamunda at last won a league game during the 1975 season, so this win was especially welcome. Congratulations to Eddie and his team for their efforts, especially their third quarter effort. Although all players contributed to the win, special mention must be made of Eddy Mularczyk, Vince Capriotti, Gary England, Jeff Bingham, Glen O'Rourke and Greg O'Mara. We hope that this is the first of many victories this season.

Not only did we win in the League but we also won the Reserves, making it a day to remember as no one can recall the last time we had a double. Congratulations to Syd and his team especially Mick Jeffries, Gary Garside and Mark Smith. Considerations to those players who missed out on the game, but if we all stick together, this win will be the first of many.

Today we play Kwinana at the Hartfield Park and although we have now broken the ice, we must not be over confident as Kwinana will be all out to record their second win also, but a repeat of last week's efforts, no matter what the result, will show the Kwinana team, that we are a team to be taken seriously this season.

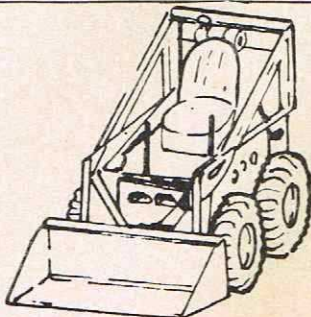

To all the Kwinana players, officials and supporters we extend a very warm invitation to attend our "After game social", which will be held as usual in the Wattle Grove Hall, on Welshpool Road, immediately after the game.

THE HAWKS

The under 19's have hit the top with a flurry last week to commemorate Gary Reynold's 100th game. Congratulations Gastro from your fellow players, supporters and committee. Excellent team effort has enabled the side to win their first three games, but this week will be the real test when they meet Armadale.

Best players last week were P. Paull, M. Taylor and G. Pelham. Coach Lex has urged all players to keep up the excellent training attendances.

Our seconds have also struck a purple patch with an amazing TEAM EFFORT. Best players were in every position with excellent games by Len Marsh on the ball, Ian Gimlet wing and ruck rover and of course our consistent Col Castensen who kicked some beautiful goals.

Today's game against Kenwick will be a deciding tale to see who retains top of the ladder.

Our league side has developed a first class play on game with players adopting a positive attitude to training and club spirit.

The game against Armadale was a training run with good games from Hadyn McAuliffe ex Victorian — Sth Fremantle and Swans League player, Trevor Williams, Jim Kidd and of course Woody.

Supporters we need sponsors for our Bumper Board and your generous help would be greatly appreciated. See Jeff Crabb or Harold Hogan.

Keep your eye on the progress of our new bar. With the attendances growing each week the new facilities will take a load off our volunteer bar staff; who do an excellent job under the present conditions. Call down for a beer and join the players every Friday night.

J.W.C.

TALK OF BULL

After the defeat by Canning the week before it was heartening to see the revitalized approach by all the players to the game last week against Kwinana.

Players whose form so far this season had been very ordinary, responded to the coaches' demands and approached the game in a much more competitive spirit.

The overall result was that for the first time this season we reached the standard of football that other teams expect from us.

Noel Knight obviously appreciated the change in position, and was a very damaging player on the half-forward line, while others worthy of mention, in a team which had many fine players, included Ken art, Ian Saunders, Jake Butler and Rock Butler.

Dennis Cometti although restricted in movement, was a creative player mid-field and continually brought other players into the game with clever handball.

After a slow start the seconds hit top gear in the second and third quarters and ran out comfortable winners.

It is pleasing to see that players who have not been getting regular game have stuck with the club and as was the case last Sunday through various injuries many of these players got their chance. Better players included Mark Rollack, Mark Schmock and Lindsay Kelly.

Today we meet old rivals, Kelmscott, in what promises to be the match of the day. Members and supporters are urged to get behind the players and ensure that we enjoy the winning feeling over a few beers after the game.

It takes something extraordinary to keep Ron and Irene Jarvis away from the football, but last Sunday saw both of them still recovering from an unfortunate car accident. All members at the Club wish them a speedy recovery.

Tickets in the big raffle are now available through Mick O'Halloran. Your support is vital.

DEMONS DIGEST

Today, we are back at home, this time as hosts to Mandurah F.C., the "Seasiders". All Seasiders are invited to stay back for a while after the games, and enjoy our friendly after-match social. Relax, before your long drive home folks!

Last week at Gosnells, the League side suffered a setback when they were well beaten by an impressive all round Hawks side. Credit where it's due, the Hawks are good make no mistake. However, the Demons will have learnt a valuable lesson from this game and will heed it well. In this match, John Erceg with his consistent, effective work, was one of the few players to hold his own, in my opinion. Matt O'Mara's game was good, and his refusal to back off from opponents twice his size earns him my pat on the back for guts.

The Reserves game also belonged to the Hawks. Coach Johnnie Rowe was disappointed with his team, and will be working on the necessary improvements required for certain. However, John was pleased with the performances of Lindsday Galloway, Steve Hunter and Mick Watson in particular.

The Under 18's ended a losing run for the Demons last week, when they beat Kenwick away by a couple of goals. Both "Chaddie" and Alan Smith put in good games for this match. Armadale keeps on Demoning on! (apologies to Berger).

The Under 16's also beat Kenwick by a staggering 18 goals! The performance of Alan Pratt (no, not the Ferntree Gully clan) as the spearhead of the whole side earned him high praise from his coach Charlie Tenard. This team has, of course that priceless commodity, TEAMWORK.

WILLIAM "PERCY" REID: Armadale players wore armbands as a mark of high respect to the late Percy Reid who passed away a few days before. Perce was one of those players of the 30's when the Demons were the undisputed kings. They won four premierships in a row from 1934 to 1937, and were runners up in 1938! The Demons are fortunate to have Percy Jnr. as the Under 18's coach for the last three years, just look at their record. To Percy jnr., and all his late father's family, we offer our sincerest condolences.

Notices: Players are reminded that today is the deadline for membership fees, under the new club constitution passed at the A.G.M. in November, 1976 May 20th. Are YOU going to the BIERFEST?

PEEGEE

THE TIGERS

Intense, minute shooting for goal and a half-hearted last quarter effort by some of our players provided the recipe for an exciting finish at Wyong last Sunday.

Kenwick, probably the most talented side we have met this season, set themselves a hard task for victory by trailing by seven goals going into the last quarter. What seemed to be an impossible task for the Royals, however, very nearly eventuated, for the tallied up seven goals three points during this term and had it not been for a resolute Tiger defence might have snatched victory. And so we continued our unbeaten run so far this season with a nine point win, though improvement is necessary, we are to maintain our position as league leaders.

Named best on the day for their excellent efforts were Tim Johnson, Alan Vines and Peter Kimberley.

Our Seconds remain somewhat of an enigma, particularly to coach Terry Freemantle. Ability shown on the training track is not being taken onto the field and the axe will no doubt be sharpened again for today's game.

The club extends a welcome back to Steve Goodall. Steve has played the last two seasons with Perth and is sure to add a touch of class to our league side.

The Cannington Hotel Footballer of the Year provides for the winner this year, one week's accommodation for two plus expenses at North Cape Lodge, Exmouth, W.A.'s premier holiday resort. This trip is valued in excess of \$800 and we extend our thanks to Geoff Ogden of the Cannington Hotel for making this award available.

The Seconds will also have a similar award, with the prize being a cash amount not yet determined.

Today's game against Thornlie presents the opportunity for our first winning double although the Lions should not be taken lightly it would appear our League side will remain undefeated and our Seconds side will open their account for the year.

MIGHTY ROYALS

Congratulations to the reserves for their fine performance against Canning last week. The players teamed well together over most parts of the ground but more attention should be paid to the way the ball is delivered to the forwards. Brian Thompson, on his "comeback" trail, played well for only his second game this season. Angie Fimognari continued to play well for the third week in succession, and Peter Hughes also played a good game.

There were a lot of triers in the league side last week but unfortunately we were beaten by a better side on the day. The team showed signs of improvement last week with some good teamwork and some good individual work, but until we put it together for four quarters we'll always have trouble winning matches. We had the edge in the ruck duels last week with good performances from Fred Seiner and John Risely. Alf Stal made good their work by roving well all day, Ray Winduss won in the centre and Gary Worthington tried hard on a wing.

Tickets are now on sale for the raffle of a surf cat. If you have been sailing on one of these you'll know how much fun they can be. Tickets are only \$1 and are available from members of the social committee.

Because of the tremendous success of last year's fashion parade, your social committee are in the process of arranging another one this year. Remember girls, this is your show so support it.

SEASIDERS

This week we have another away game which is against the Demons at Armadale. We'll again find it hard to win but the players must not lose heart and endeavour to keep pressure on the opposition for four quarters.

The team is lacking a couple of big players at the moment but we soon hope to recruit players to fill these positions.

Last week at Kelmscott it was again disappointing but away games are never easy to win. The reserves now being coached by Les Barrett gave another good performance and only went down by one goal. They have

THE LIONS

Well what can one say, but congratulations to a disciplined Kalamunda side on last week's win over the Lions. As a matter of fact it was the first "double" as far as I can recall that "Kala" has ever achieved against the Lions.

Although coach John Brierty made many changes during the game the flagging Thornlie side produced very little after the half-time break and Kalamunda cruised to a 12 goal victory.

Now on to next week's game. Canning the great improvers from last season. Lions today we just cannot afford to lose, so its going to take a tremendous effort from all 20 players. Best of Luck.

The seconds team also badly need a win to open the account for 1977, perhaps today could see it, because the 2nd eighteen is far more capable of producing better play than they have so far this season. So players what about it.

The Colts are not faring too well either, although gradual improvement is coming into their game each week. It is hoped over the next week or so a few more players will join our ranks and bolster the team to winning positions.

Best Players: Alan Osborne (a true captain game), Greg Taylor (showing four quarter form), Dennis Evans (a tremendous first half).

Seconds: Andy Howitt (brilliant), Ron Cherry (great attacking effort), Cliff Donovan (asserted his authority).

Colts: Wayne Shepherd (will not be beaten), Phil Hesford (carried the ruck all day), Gavin Cockram (overhead marking a feature).

been unlucky so far this year and in fact only 10pts have held the team from winning 3 games instead of 1

A fine effort was put in by Bill Doy followed by good performances by Steve Holtz and Tom Heitman.

Round the clubrooms there is still work to be done but our carpet has arrived and will be laid as soon as some small alterations are completed.

Next Wednesday night there will be a player tea in the clubrooms after training
